Motivational Workshop To Create Your Blue-Print For Success

Presented By Nishant Kasibhatla

Trainer, Speaker & Best-Selling Author World Record Holder & The Only Grand Master of Memory in Singapore

Introduction

In this workshop, you will learn key techniques to unleash your full potential and achieve success in all areas of your life. Be prepared to challenge your limiting beliefs and acquire a new mindset – a mindset that will help you to achieve success in your study and personal life. The workshop equips you with all the necessary strategies to maximize your personal effectiveness, manage your time effectively and inculcate a "success mindset".

Workshop Outline

- How to be motivated all the time
- Acquiring the Winners Mindset
- Stories of successful people and what can we learn from them
- How to develop the power of positive thinking
- The secret behind all achievement
- Develop an attitude which helps you create a compelling drive to achieve results faster and easier
- Break your self-limiting beliefs and achieve all that you want
- Be always focused on all your goals
- Success Skill Sets and how to acquire and master them: Goal Setting, Burning Desire, Eliminating Procrastination

Training Methodology:

We employ research-based powerful accelerated learning methods to make the most of the learning process. Apart from the most popular 'presentation-discussion' method, highly interactive group exercises are employed to bestow the benefits of synergistic learning to the participants.

Internalization:

The workshop comprises of written exercises, group exercises and games/activities specifically aimed at internalization of all concepts taught.

Evaluation

At the end of the workshop, we shall gather feedback from pupils to assess the effectiveness of the workshop for submission to the school.
