

Power Vocabulary (3 hrs)

Powerful Techniques To Boost Your Vocabulary

Presented By Nishant Kasibhatla

Trainer, Speaker & Best-Selling Author
World Record Holder & The Only Grand Master of Memory in Singapore

Introduction

According to language expert W.B. Elley, "a rich vocabulary is a valuable asset and an important attribute of success in any walk of life." In other words, your vocabulary plays a large role in your success. It is important to begin building one's vocabulary as early as possible. You need a good vocabulary to speak confidently. However, many students are stuck when it comes to committing new words to memory. Many students feel that learning new words and meanings is a tedious task. This workshop is designed to enable the participants to have fun while improving their vocabulary. The workshop teaches the participants various powerful techniques to boost their vocabulary

Workshop Outline

- Learn why cramming and repetition doesn't work
- Effective ways of increasing your vocabulary in the shortest possible time
- Powerful Techniques to help you have fun while improving your vocabulary
- Traditional ways v/s non-conventional ways to improve vocabulary
- Learn 50 SAT/GMAT level words and their meanings
- Can technology and software help? Introduction to the some great resources to learn new words
- Use the internet to speed-up the process of boosting your vocabulary
- Taking it to the next level: How to use the new words in your speeches and conversations effectively
- Step-by-step Action Plan to learn hundreds of new words and their meanings effectively

Training Methodology:

We employ research-based powerful accelerated learning methods to make the most of the learning process. Apart from the most popular 'presentation-discussion' method, highly interactive group exercises are employed to bestow the benefits of synergistic learning to the participants.

Internalization:

The workshop comprises of written exercises, group exercises and games/activities specifically aimed at internalization of all concepts taught.

Evaluation

At the end of the workshop, we shall gather feedback from pupils to assess the effectiveness of the workshop for submission to the school.
